## Technical Details:

1. polished, stainless steel handrail and posts from tube Ø 42 mm,
2. height 1000 mm (to top of rail),
3. filling with wire rope 6mm, 5pcs,
4. handrail supports,
5. stainless steel tension screws,
6. base plates with cover caps for mounting

Top mounting.

## Production time 3-5 weeks

Pre-assembly of posts with other parts, such as handrail supports and base plates, takes place in workshop.

Stainless steel fittings: base plates, handrail supports, cover and end caps, come from our own production and are available in 304 or 316 grade steel.
