## Technical Details:

1. polished, stainless steel handrail and posts from tube Ø 42 mm,
2. height 1000 mm (to top of rail),
3. filling with 4 horizontal rods à 20mm,
4. handrail supports,
5. stainless steel square glass clamps,
6. wall brackets or base plates with cover caps, depending on mounting method, top or side.

Top and side mounting methods available.

## Production time 3-5 weeks

Pre-assembly of posts with other parts, such as handrail supports and base plates, takes place in workshop.
